

I enjoy my Satellite Radio. The only time I have for myself is my drive to and from work. I treasure this. Local stations do not carry on the air the distance needed, local station templates favor too much "DJ bantering" at the expense of listeners.

I was given my Satellite Radio as a Christmas gift. AND I LOVE IT. I appreciate the large variety of programs ranging from music to news to educational programs. Since I pay for my Satellite Radio, I do not think that NAB should tell me or anyone what is playing on their personal radio. Please reject the NAB petition 04-160. Again, I am paying for it all and therefore I should have the freedom to choose to what I listen.
